MEMBERSHIP PACKET 2012

www.abyc.org

Thank you for your interest in ABYC membership.

ABYC has been a family oriented sailing club since it was founded in 1924. The Club is noted for its tradition of small one-design boat racing. However, over the years many of the members have acquired a variety of keelboats.

ABYC sponsors approximately ten invitational regattas each year, staffed by member volunteers. There are many other sailing and social events held throughout the year, including a junior instructional sailing program.

You must have a current Regular Member sponsor you for membership along with four additional membership recommendations. There are four membership classifications: Anchor, Regular, Yachting and Junior.

If you would like to learn more about ABYC, please complete the attached membership inquiry form, check the box to request attendance at a general meeting, and return it to the ABYC office. We will arrange for you to attend a General Membership Meeting to learn more about ABYC and to get a chance to meet some of our members. The meetings are held on the third Friday evening of each month.

If you have any questions regarding the attached membership information, please contact me anytime.

Sincerely,

Dan Milefchik

The following information outlines dues, boat storage and miscellaneous fees of ABYC:

MEMBERSHIP CLASSIFICATIONS AND FEES

Regular Membership

Purchase of a regular membership is based on the price that the selling member has established. Current policy dictates that the minimum selling price of a membership is \$500. A transfer fee in the same amount as the membership will also be applied. For example: a membership selling for \$500 would have a transfer fee of \$500 for a total membership price of \$1,000. The lowest priced membership is always offered first. A prospective new member is given three opportunities to purchase a membership before their application is dropped.

Non-Resident Membership

Existing Regular members who will be temporarily residing outside the SCYA area may apply for Non-Resident statuses. Non-residents will not have the right to vote or hold office and their ability to use the club facilities is at the discretion of the BOD. They do pay reduced dues, 50% of regular dues, but as they still hold Equity are responsible for all mandated fees like Capital reserve and 20/20 contributions.

Associate Non-Resident Membership

Existing Regular or Non-Resident members who will be residing outside the SCYA area permanently may apply for Associate Non-Resident statuses. Non-residents will not have the right to vote or hold office and their ability to use the club facilities is at the discretion of the BOD. They do pay reduced dues, 25% of regular dues, but if they still hold Equity are responsible for all mandated fees like Capital reserve and 20/20 contributions.

Yachting Membership

The yachting membership is geared for ages 18 through 27, and the dues are proportionally structured. The yachting member has all the privileges of a regular member except no equity in the Club or voting privileges and is ineligible to hold an office. A person who holds a yachting membership must actively participate in sailing events of the Club. When sailing as a skipper in any regatta, a yachting member must enter under the Club burgee, even if the yachting member is a member of another yacht club. A person who is a yachting member at the age of 27 may extend their yachting membership until age 30.

Junior Membership

The independent junior membership is for the young sailor from ages 9 through 18. A junior member may use the club facilities and participate in racing and social events.

Anchor Membership

A regular member who has been a member for at least 25 years and is age 70 or over, may apply for anchor membership. An anchor member has all the privileges of a regular member except no equity in the Club or voting privileges and is ineligible to hold an office.

A \$50.00 application fee applies to all membership applications.
