

# Whaler Training

**Saturday, February 22nd 10:00AM to 1:00PM**

We are always in need of more experienced volunteers on the course.

We are offering Whaler Training Course for those interested.

It will cover:

How to run a boat

How to set a GPS for waypoints needed

How to set up and place marks as well as moving them

What the PRO expects of you with your newfound proficiencies
